Premium Concerts: Concerts designated as Premium have slightly higher subscription and public prices. These are concerts not to be missed and highlight the value of the programming. The additional cost brings you performances with larger orchestration, more involved production, world premieres, and exclusive relationships with renowned artists. As we provide added value in your season, we are honoring subscribers by offering early bird pricing through April 25, 2014.

Subscriber Exchanges: Please note that as a benefit to subscribers, there is no fee charged for exchanging your tickets. However, when exchanging a section or concert into a higher price section or concert additional charges will be incurred. All exchange requests are subject to availability, and same seat locations as your current subscription seats cannot be guaranteed. Please provide a 1st and 2nd choice of seating with requests. Some sections may not be available due to high demand. If we are unable to seat you as requested we will contact you personally to discuss other options. Exchanges will be processed in August and we will be in contact with you regarding your requests at that time.

Subscriber Add-ons will be completed in August, prior to single tickets going on sale to the general public in September. While processing your payment doesn't guarantee seating we will make every effort to seat you as requested. If we are unable to seat you as requested we will contact you personally to discuss other options. Fax or mail orders should include a written request with performance date(s), two preferred seating locations, number of tickets requested, credit card information, mailing address, and a daytime phone number.

A \$19.00 processing fee will be applied to all subscriptions. A \$4.00 Kimmel Center Inc. Building and Renovation fee has been added to all ticket prices.

A \$6.00 per-ticket fee will be applied to all single tickets ordered by phone. Additional single tickets purchased at the Kimmel Center Box Office are subject to a \$2.00 processing fee.

Please note: All artists, dates, prices, and programs are subject to change. Prices vary by concert and all seating requests are subject to availability.

For select concerts Conductor Circle, Front Orchestra, Tier 2, and Tier 3 boxes may not be available, seating locations will be assigned in a comparable location at no additional charge.
