Donations

Patrons who have already contributed to the PBA Annual Fund will be asked to donate to another fund-Community Engagement.

Please consider making a special gift in support of our Community Engagement programs. Your contribution will help local school children attend theater dress rehearsals, provide opportunities to participate in after-school programming, and develop a lifelong appreciation of dance!

This season PBA will have two funds.

New Scaling

Price levels have changed throughout the house and prices are based on the cost of presenting the performances. But as a subscriber you will still enjoy

the best seats for the Ballet series at the lowest
price possible!
