

General Note:

In order to offer the best patron experience possible, the Kimmel Center garage has transitioned to a self-serve parking system. This means you will NOT need to pull a ticket or pass a pay barrier upon entrance or exit.

****WARNING**** *Failure to pay will result in a parking ticket!*

For patrons WITHOUT pre-paid parking:

1. As you park your car, note the NUMBER of your parking spot.
2. As you enter the Kimmel Center, you will pass through a payment kiosk area. Enter your parking spot number and payment information into the kiosk as instructed.
3. Proceed to your show! The garage attendant will be notified, via the wireless digital parking system, that your parking spot has been paid for. You do NOT need to place a ticket in your car.

For patrons with PRE-PAID parking vouchers:

1. Place your pre-paid parking voucher on the drivers' side dashboard of your car in clear view through the windshield.
2. If you park past the allotted time the attendant will ask you to pay for the additional time.

For patrons with PRE-PAID parking, hold-at-box-office:

1. After parking, check in with the attendant on duty.
2. The attendant has a list of all patrons with reserved parking. The attendant will give you a "PAID" receipt to place on your dashboard.
3. Place the PAID receipt on the drivers' side dashboard of your car in clear view through the windshield.
4. If you park past the allotted time the attendant will ask you to pay for the additional time.

Pre-paid parking hours:

Weekday evening: 5:00pm – 1:00am

Weekend, matinee: 11:00am – 6:00pm

Weekend, evening: 4:00pm – 1:00am
