

CYO 3 and 4

During the Early-Bird window only the Create-Your-Own 6 and 5 packages are available.

We are happy to offer our best value with **early-bird** pricing for the 2015-16 season if you purchase a Create-Your-Own subscription with five or more concerts by March 27, 2015.

This is a special **early-bird** bonus, if you renew by March 27th you will save an additional \$5 off per ticket!

Sorry, only subscriptions of five or more concerts are eligible for this special offer. Smaller packages will be made available for renewing subscribers after the early-bird period.

Why are Premium and Premium Plus concerts more expensive?

These are concerts not to be missed and highlight the value of the programming. The additional cost brings you performances with larger orchestration, more involved production, world premieres and exclusive relationships with world renowned artists.

Why did the subscription fee increase?

The fee is in place to cover the cost of services such as subscription processing, seating and specialized subscription ticket printing provided by Ticket Philadelphia. Ticket Philadelphia and the Orchestra base the fee pricing on many different factors. We try to make them as fair and equitable as possible but they can vary from season to season.

Why did the price of my subscription concerts increase?

Prices are based upon the cost of presenting the performances; this can be impacted by increase in production costs, special guest artists throughout the season, and operating expenses. Prices are always subject to change and subscribers are given the best pricing at the best inventory opportunities.

I'm a subscriber, why don't I get a discount on Special Events?

Subscribers have the advantage of getting the best seats for special events and have the opportunity to secure tickets before they go on sale to the general public.

Yo-Yo Ma/John Williams

Also we should note that add-ons and exchanges for the Yo-Yo Ma concert will be at higher prices and will receive almost no discount.
