

The Impact of Your Support

Musical Artistry

The Philadelphia Orchestra is an icon of Philadelphia and an international treasure. The passionate concerts we experience build upon the Orchestra's long-standing tradition of magnificent music-making.

Youth and Music

The Philadelphia Orchestra's School Concerts reach thousands of students each year. The Orchestra sends teaching artists and musicians to Philadelphia schools through the School Partnership Program and Musicians in the Schools.

The College Performance Series brings Orchestra musicians to the campuses of the University of Pennsylvania and Drexel University.

Community Celebration

The Orchestra presents free outdoor Neighborhood Concerts, continuing its commitment to celebrating the vitality of neighborhoods throughout the Philadelphia region. The Philadelphia Orchestra also celebrates the life and work of Dr.

Martin Luther King, Jr., with a free community tribute concert each year.
