

## **Jose Garces' Volver at the Kimmel Center for the Performing Arts**

### *Sample Q&A*

#### **What is Volver?**

Iron Chef Jose Garces has partnered with the Kimmel Center for the Performing Arts in Philadelphia to open Volver restaurant. Volver means 'to return' in Spanish. Chef Garces — an avid traveler — is 'returning' fondly to some of his favorite meals from his world travels.

Volver offers two distinct experiences: sparkling wine, caviar and small plates in the graciously appointed bar and lounge, and a decadent multi-course chef's tasting with beverage pairings in the intimate dining room.

#### **What will be on the menu?**

In the bar and lounge, you will find thoughtfully selected wines and hand-crafted cocktails along with a selection of caviar, cured meat, tartares, and skewered small bites.

In the main dining room, there will be an ever-evolving menu that highlights seasonal ingredients prepared with modern techniques that capture and amplify their inherent flavors, all inspired by Chef Garces's travels around the world.
