Dear Subscriber,

Welcome to the 2015/16 season! As you may already know, we have made adjustments to our price levels at the Academy of Music for the upcoming season. These changes were based on extensive consumer research, and in most cases will save subscribers money. However, some sections, including the Amphitheatre, will see increases in price.

Subscription price levels have changed throughout the house—and Amphitheatre prices are also now available in the Family Circle. Consider upgrading your subscription seats to the Family Circle and experience your favorite shows closer to the action!

Because we value you as a loyal subscriber, we are happy to offer you priority seating on any seat changes you may decide to make. If you have any questions about these changes, please call Subscriber Services at 215-893-1955, Monday through Friday from 9am to 5pm.

Thank you for your support. We look forward to sharing another blockbuster season with you!
