

The POA will be mailing a letter to any POA patron who missed a performance to a concert for this current 2013-2014 season. This letter invites the patron to attend a FY15 concert, offering 2 orchestra level seats. The patron needs to fill out the form and mail or fax it to the POA. The POA will then contact them offering specific concerts from which they may choose to attend. Tickets will then be sent via US Mail.
