

April 2014

Dear Philadelphia Speakers Series Subscriber:

We are pleased to enclose your renewal materials for the 2014-2015 season of the Philadelphia Speakers Series presented by Widener University.

At this time we invite you to renew your subscription(s) to the 2014-2015 Season. We are able to guarantee your renewal *as long as we receive your order by Friday, May 16th*. After this date, any seats that have *not* been renewed will be released in order to accommodate upgrade requests from other current subscribers, followed by orders from new subscribers.

As you are aware, the series is currently sold-out. Furthermore, there is a waiting list of those who were unable to subscribe this season and who are eagerly waiting to purchase subscriptions as they become available after May 16th – so be sure to renew early!

In order to ensure that your order is received and processed smoothly, please fill out the enclosed **2014-2015 RENEWAL FORM** and renew either by:

1. **MAIL:** Use the reply envelope to mail your **RENEWAL FORM TODAY!**
2. **FAX:** Fax your **RENEWAL FORM** to **(215) 893-1833**
3. **ONLINE:** At **www.PhiladelphiaSpeakersSeries.org**
4. **PHONE:** We encourage you to renew by Mail, Fax or Online to avoid the frustration of heavy phone traffic. Should you choose to renew by phone, you may call Ticket Philadelphia at **(215) 893-1955**. Please identify yourself as a current subscriber so that we may ensure your renewal and provide you with preferential treatment.

Please indicate on the enclosed **RENEWAL FORM** whether you wish to renew your **current seats** or if you wish to have your seats upgraded or changed in any way, in the event that seats become available. Seating change and upgrade requests will be accommodated in date-received order.

One final note: We ask that you kindly double check to confirm that your contact information is accurate. Also, if you haven't already done so, **please provide-us with your e-mail address**. This will greatly help us to reach you (in a fast and efficient manner) in case of weather-related and other urgent situations, as well as to offer you the chance to help us improve future presentations by participating in the post-lecture surveys. Be assured that this information will not be released to any other organization for any purpose.

Next season promises to be another great series, and is a direct result of the comments and suggestions you have shared with us. We are looking forward to having you join us for the 11th season of the Philadelphia Speakers Series presented by Widener University.

Very truly yours,

Bill Conrow
President
Philadelphia Speakers Series
